Grand Knight's Report

If we really had a summer it is over now, and time to get back to our normal activities. August will be over or almost over when you receive this; however we had lots of activity during the month.

The Kruse nights have taken off and we are getting a good crowd on Friday night. August 29 will be the final one for this year. We serve food and beverages so drop on by and look at the classic cars and enjoy some camaraderie. The first German/Polish Fest will have been celebrated, and the golf tournament held so now its time to look towards the final event that involves everyone on the North Tonawanda Catholic community and that is the first Parish picnic that will be held Sunday the 31st. Full details will be available in your Parish bulletin; however I encourage everyone to attend and get to know your new parishioners. I know many feel displaced by these mergers, but change is part of our lives (Look at your High School graduation picture to confirm this). As the kids say 'Get over it', and enjoy a nice event with lots going on all day and the best part is it is free!

September begins our twice a month meeting which will be the 3rd and 17th. Catholic Club will meet on the 10th. Spaghetti Dinner on the 21st, Flu shots on the 30th and council clean up on the 8/30, and we have Bingo every Thursday night at 7:20. The highlight of the month will be the fall into Jazz night on Saturday the 13th. You do not want to miss this.

We also have a Council picnic planned for Sept 17 from 5:00 o 9:00.

One item to mention on the Flu shots. You must make an appointment through Assemblyman Schimminger Office 873-2540. The shots are free if your Medical plan will pay for them. When you make your appointment ask about your particular situation as regards payment. I know from experience the United Health Care does not cover this ; however most other plans do.

The elections in June brought us two new guards. Congratulations to Dave Durnin and Ted Klis who have entered the chairs. All the other positions are the same.

We are doing the Football pool again. Steve Ash is running it and this year it will be for the benefit North Tonawanda Catholic Home School Association . This way there will be a larger pool and the winner will get more than the few dollars our winners were getting when we ran it ourselves.

God Bless

BARTENDERS

We are investigating taking a different approach with our bartenders. We are looking for 4—6 individuals that are interested in serving as full time bartenders. These individuals would be provided with a listing of all of the hall bookings and scheduling bartenders from among this group for each event.

If anyone is interested in becoming a full time bartender please contact either Jim DiVirgilio at 536-2981 or Ken Sliwinski at 693-7067.

BORROWING ITEMS FROM THE HALL

If you are unaware, our policy has been that if you want to borrow items from the hall you must first contact the Hall Stewart. Our Hall Stewart is Jim DiVirgilio. His phone number is 536-2981. We have recently been experiencing a loss of items from the hall. If you have borrowed something from the hall please return it ASAP. Remember that a good portion of the funds our council takes in comes from hall rentals. We need all of our supplies, equipment and appliances to stay inside the building, most of the time, to run the events taking place in our building.

Thanks you in advance for returning anything you may have forgotten to.

Please update your E-Mail address as we have quite a few that are not active any more. The E-Mail addresses are used to inform members of upcoming events and member losses.

Send a message to website@kofcmadonna.com with your E-Mail address.

Happy Birthday to all Knights and Ladies celebrating in September!!
